

1st May 2020

Dear Parents and Carers

Good news - Jon has now received FSM vouchers and has commenced sending them out to families who have requested them and also to our EYS group as appropriate. Do contact us if there are any concerns or issues with regards to supplies generally - both Jon and Anne our Family liaison Manager are here to help. Contact them via sybil.elgarschool@nas.org.uk

Beata, our Art teacher, is organising a Junk Installation with the Tate Art Gallery and she wants to involve our school in partnership with other London Schools. We are also looking to source bicycles for use for both pupils and staff; Hema will be uploading videos for cookery and yoga so do look out for that next week. Let us know if there is anything specific you would like us to post.

Thank you for sharing your photos and video clips of your children home working, writing skills - learning to write own names is coming on magnificently; also EHCP targets are being revised with some families; many of you are also accessing the websites and links and report that they have been very helpful.

I attach a Mindfulness site which may support in helping you and all the family relax and from Sue Granger NAS Autism Practice Facilitator.

Please also see further information from Tess our OT and Karen our SaLT

We continue to follow government procedures and will keep you informed regarding any changes

I wish you well for the weekend

With my kindest wishes

Chloe Phillips
